A recipient committee qualifying during the 16 days prior to an election in which it must file pre-election statements must file a Form 410 or the information required on a Form 410 by telegram or personal delivery within 24 hours of qualification with the filing officer who will receive the committee's original disclosure statements. Statement Type:

Check the box indicating if you are filing an "Initial" statement of organization, an "Amendment" to an existing statement of organization, or filing a "Termination" of a statement of organization.

Initial

The "date qualified" as a committee is the date that the committee received contributions totaling \$1,000 or more during a calendar year. If a Form 410 is filed prior to receipt of \$1,000 in contributions, check the box "Not yet qualified." Once the committee qualifies, you must file an amended Form 410 to report the date qualified.

Amendment

If any of the information reported on your initial statement of organization changes, e.g., you change treasurers:

- Mark the amendment box.
- Include the committee's ID number and name.
- Provide the changed information.
- Complete the verification.

If you are a controlled committee redesignating a campaign bank account for a future election:

- Mark the "amendment" box.
- Include the committee's ID number and name.
- Complete Part 4 by providing the candidate's name, elective office sought, the year of the election, and party affiliation, if applicable.

Termination

If you are terminating your committee, indicate the date of termination.

1. Committee Information:

Provide the full name of the committee. A committee may use only one name. The name may not be an acronym or other abbreviation.

The committee's street address must be reported. A post office box is **not** acceptable. The committee's mailing address must also be reported if it is different from the committee's street address. A post office box is acceptable for the mailing address.

The following name identification rules apply to the Form 410, the committee's campaign statements and to any other references to the committee required by law (e.g., mass mailings). See the instructions for Part 4 for committee definitions.

Sponsored Committees

A sponsored committee (including most political action committees) must include the name of its sponsor in the name of the committee. If the committee has more than one sponsor and the sponsors are members of an industry or other identifiable group, include a term identifying that industry or group. Obtain an FPPC information manual for more information.

Primarily Formed Ballot Measure Committees

-- A committee primarily formed to support or oppose a ballot measure must include the statement, "Committee For Proposition/Measure____," or "Committee Against Proposition/Measure____," in the name of the committee. File an amendment to your Form 410 if the ballot number or letter is not assigned when the committee qualifies.

-- Recall elections: A committee primarily formed to support or oppose the recall of a candidate must identify in the committee name the name of the officeholder/candidate the committee is formed to support or oppose. For example: *A Committee to Oppose the Recall of John Doe.*

2. Treasurer, Assistant Treasurer, and Other Principal Officers:

The committee may have only one treasurer and one assistant treasurer.

Enter the name, address, and daytime telephone number of the committee's treasurer, and assistant treasurer, if any. If the committee has other principal officers, such as a president, secretary, or chairperson, list each officer's full name, position held, and address. Use an appropriately labeled attachment if necessary.

3. Verification:

The committee treasurer or assistant treasurer must sign the Form 410.

Controlled Committees

Each controlling officeholder, candidate or state ballot measure proponent must sign the Form 410. If more than three control the committee, one of them may sign on behalf of all controlling individuals. If a candidate will serve as his or her own treasurer, he or she must sign as the candidate and again as the treasurer.

4. Type of Committee:

A committee must complete each applicable section. In some instances, a committee may qualify as more than one type of committee.

Controlled Committee

A “controlled committee” is one which is controlled directly or indirectly by an officeholder, candidate, or state measure proponent, or which acts jointly with an officeholder, candidate, state measure proponent, or another controlled committee in connection with making expenditures.

A committee is controlled if the officeholder, candidate, or proponent, his/her agent, or any other committee he/she controls, has a significant influence on the actions or decisions of the committee.

“Proponents” of state measures are persons who request the Attorney General to prepare a title and summary of a state initiative, referendum, or measure.

Controlled “Candidate Election” Committee

A candidate must disclose bank account information on the Form 410.

List the name and address of the financial institution where the campaign bank account is located and the bank account number.

If your campaign bank account is not open at the time you file an initial Form 410, amend the Form 410 within 10 days of opening the bank account.

About Your Bank Account

- A campaign bank account must be established at an office of a financial institution located in the state.
- A bank account designated for a particular election may be redesignated for a future election to the same office by amending the Form 410 to include the new election year and filing an initial Form 501 (Candidate Intention) for the election.

A new bank account and committee must be established to run for a different office. File initial Forms 501 (Candidate Intention) and 410 for the election.

- All money to be used for campaign purposes, including the candidate's personal funds, must be deposited in the campaign bank account for the specific office prior to expenditure, excluding personal funds used to pay the filing fee and/or fee for the statement of qualifications in the ballot pamphlet.

Primarily Formed Committee

A committee is “primarily formed” when its principal activity is raising or spending money to support or oppose a specific candidate or measure or a group of specific candidates or measures all being voted upon in the same election on the same date. A committee established for the sole purpose of a recall election is a primarily formed committee.

A committee controlled by a candidate for his or her own candidacy is not a primarily formed committee.

If a primarily formed committee meets the sponsored committee definition, also complete the sponsored committee section.

- They have eliminated or have no intention or ability to discharge all their debts, loans received, and other obligations; and
- They have no campaign funds; and
