

Who Uses Form 465:

Officeholders, candidates, recipient committees, major donor committees, and independent expenditure committees that make independent expenditures totaling \$1,000 or more in a calendar year to support or oppose a **single** candidate, a **single** measure, or the qualification of a **single** measure.

Form 465 is required to be filed in addition to any other preelection, semi-annual, or late independent expenditure report required to be filed.

“Independent Expenditure” Means:

An “independent expenditure” is an expenditure made in connection with a communication (e.g., a billboard, advertisement, mailing) that expressly advocates the nomination, election, or defeat of a clearly identified candidate, or the qualification, passage, or defeat of a clearly identified measure, or taken as a whole and in context, unambiguously urges a particular result in an election but which is not made to—or at the behest of—the affected candidate or committee.

When to File:

File the Form 465 at the same time(s) the candidate or committee supported or opposed by the independent expenditure(s) is required to file.

Where to File:

File the Form 465 as if your committee were primarily formed to support or oppose the candidate or measure identified in the communication.

Example: The California Tree Doctors PAC, a state general purpose committee, spends \$1,200 for a newspaper advertisement supporting a county ballot measure during the first preelection reporting period in connection with the county election. On the first preelection filing deadline, the PAC will file an original and one copy of the Form 465 with the clerk of the county holding the election, and two copies with the PAC’s county of domicile if different.

The PAC also will disclose the independent expenditure on its next regular campaign report (Form 450 or 460).

If the independent expenditure had been made during the last 16 days before the county election, the PAC would file a Form 496 (Late Independent Expenditure Report) within 24 hours of making the expenditure, and would file the Form 465 on the semi-annual filing deadline.

Fast Facts:

- A separate Form 465 is required for each candidate or ballot measure identified in a communication, if \$1,000 or more was spent to support or oppose that particular candidate or measure.
- Form 465 is not required for any reporting period during which no independent expenditure has been made.
- Candidates: Form 465 is not required for expenditures made from your committee’s funds to promote your own election.

For information on when and where to file statements, refer to the [Technical Assistance Manual for Campaign Disclosure](#) (available from your filing officer or the FPPC). Also see the manual for information required to be provided to you pursuant to the Information Practices Act of 1977.

This form was prepared by the Fair Political Practices Commission (FPPC). Copies of FPPC forms and informational materials are also available on the FPPC website (www.fppc.ca.gov).
